

MARKETING MEETING

APRIL 20TH

MAKING REELS IN CANVA

EXAMPLE

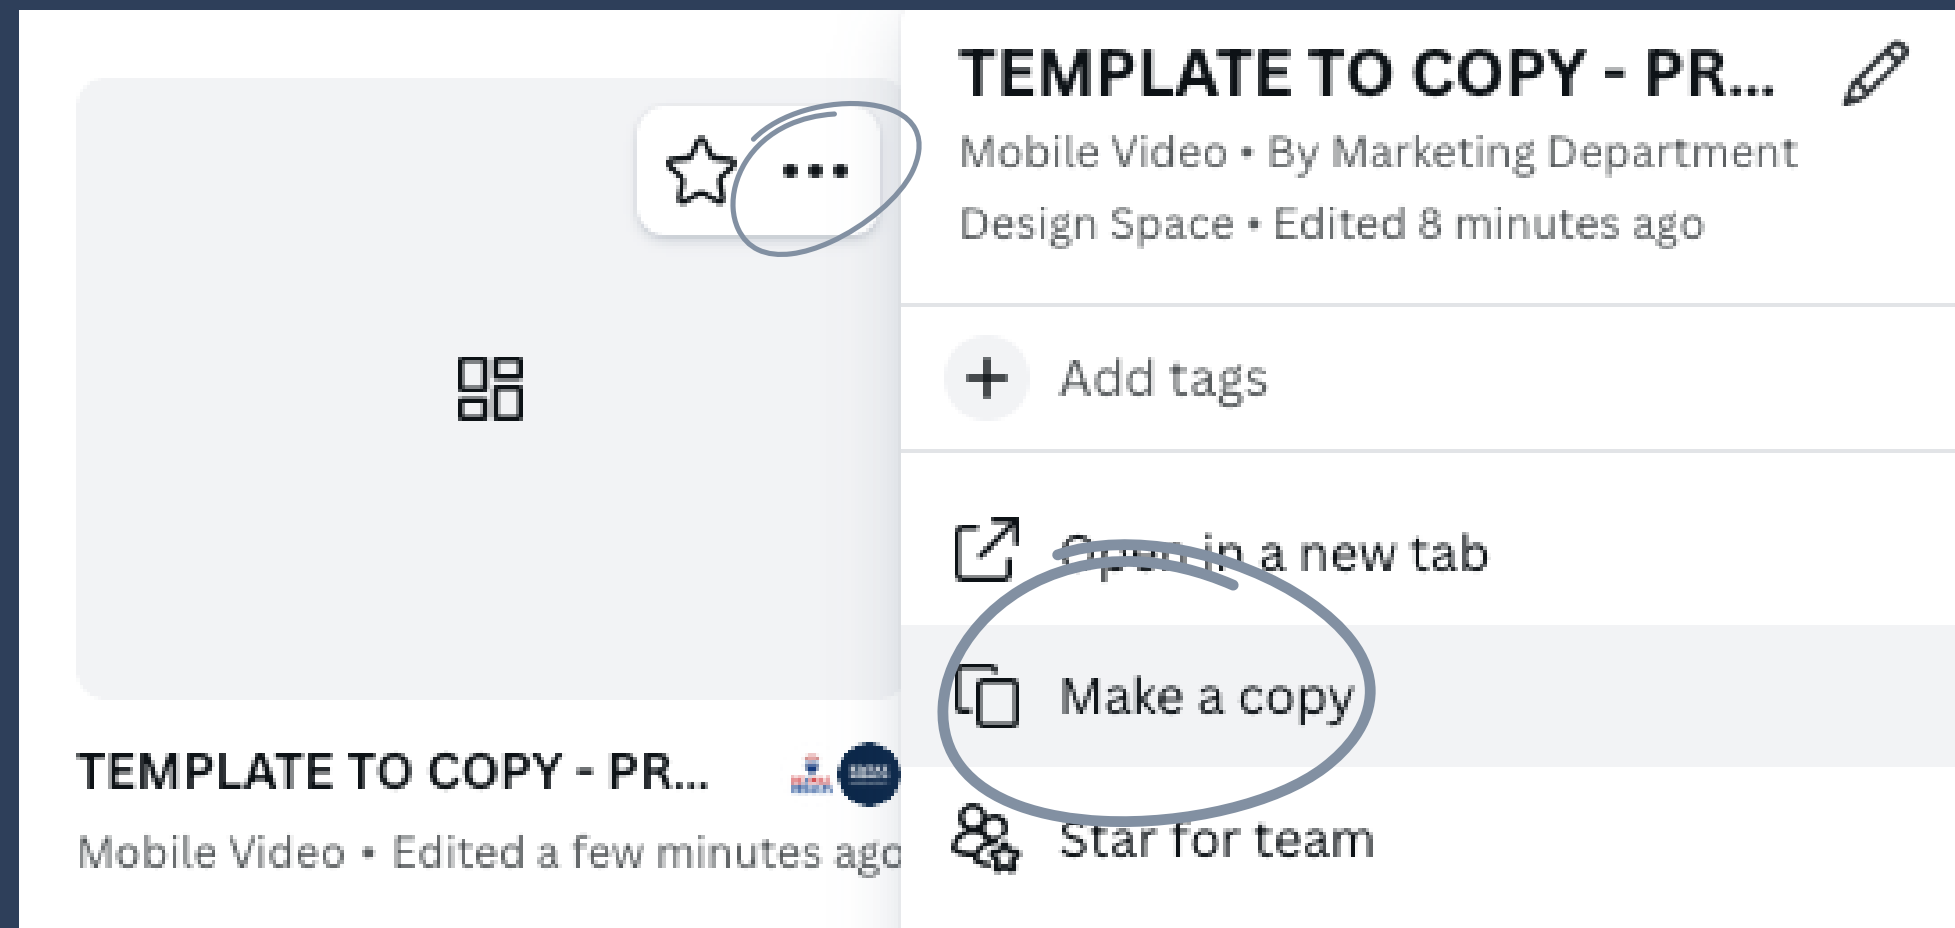

TEMPLATE

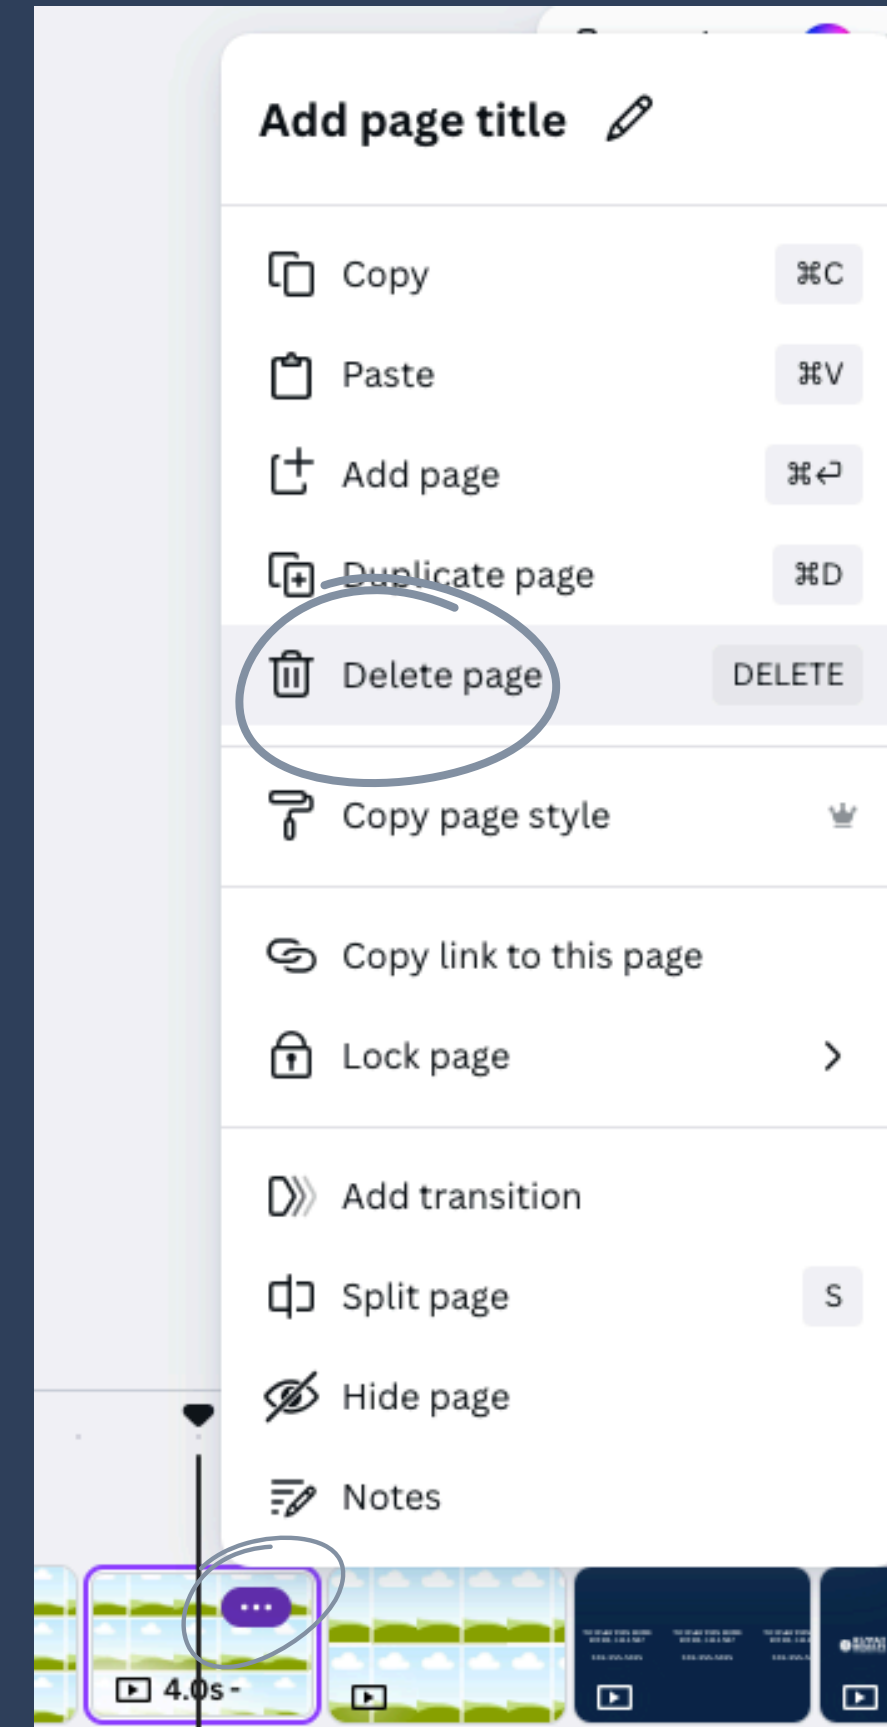

HOW TO MAKE IT

- Log in to the agent Canva account
 - fitzpatrickteammmarketing@gmail.com, Results2024!
- Navigate to the 2025 templates folder
- Find the template “TEMPLATE TO COPY - PROPERTY REEL”
- Make a copy of the template

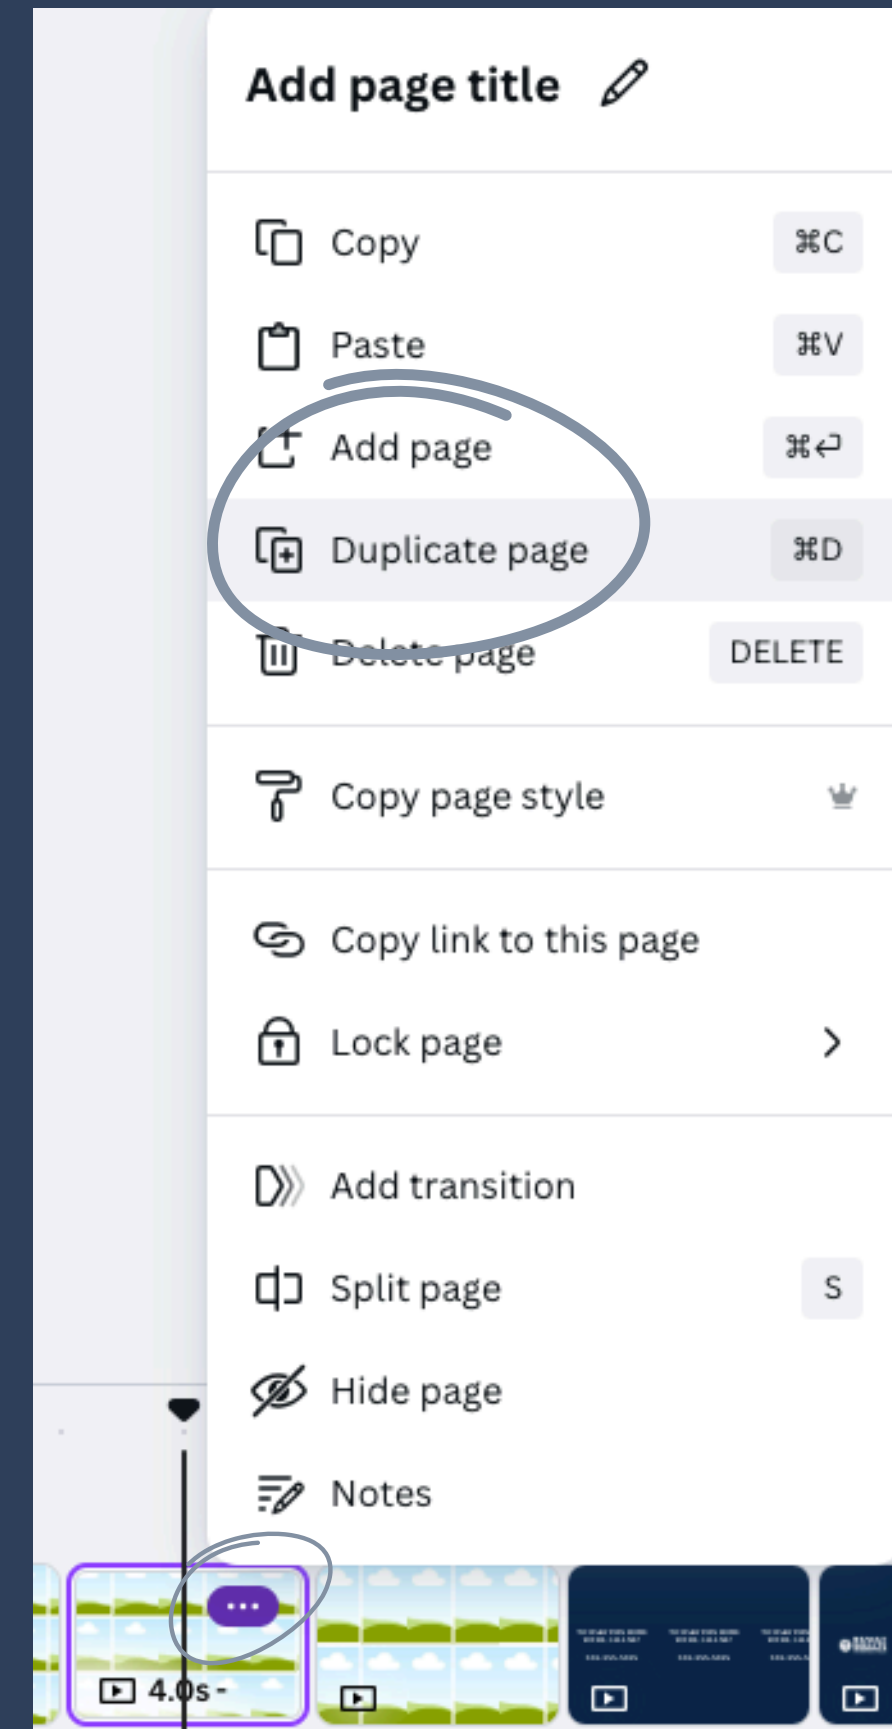

HOW TO MAKE IT

- Add the address to the opening page
- Drag and drop photos into the frames
 - You can either upload photos to Canva from your computer or copy and paste them directly from OneDrive or MLS
- If you don't want to use a specific page, click on it so it is highlighted in purple, click the three dots and click delete page

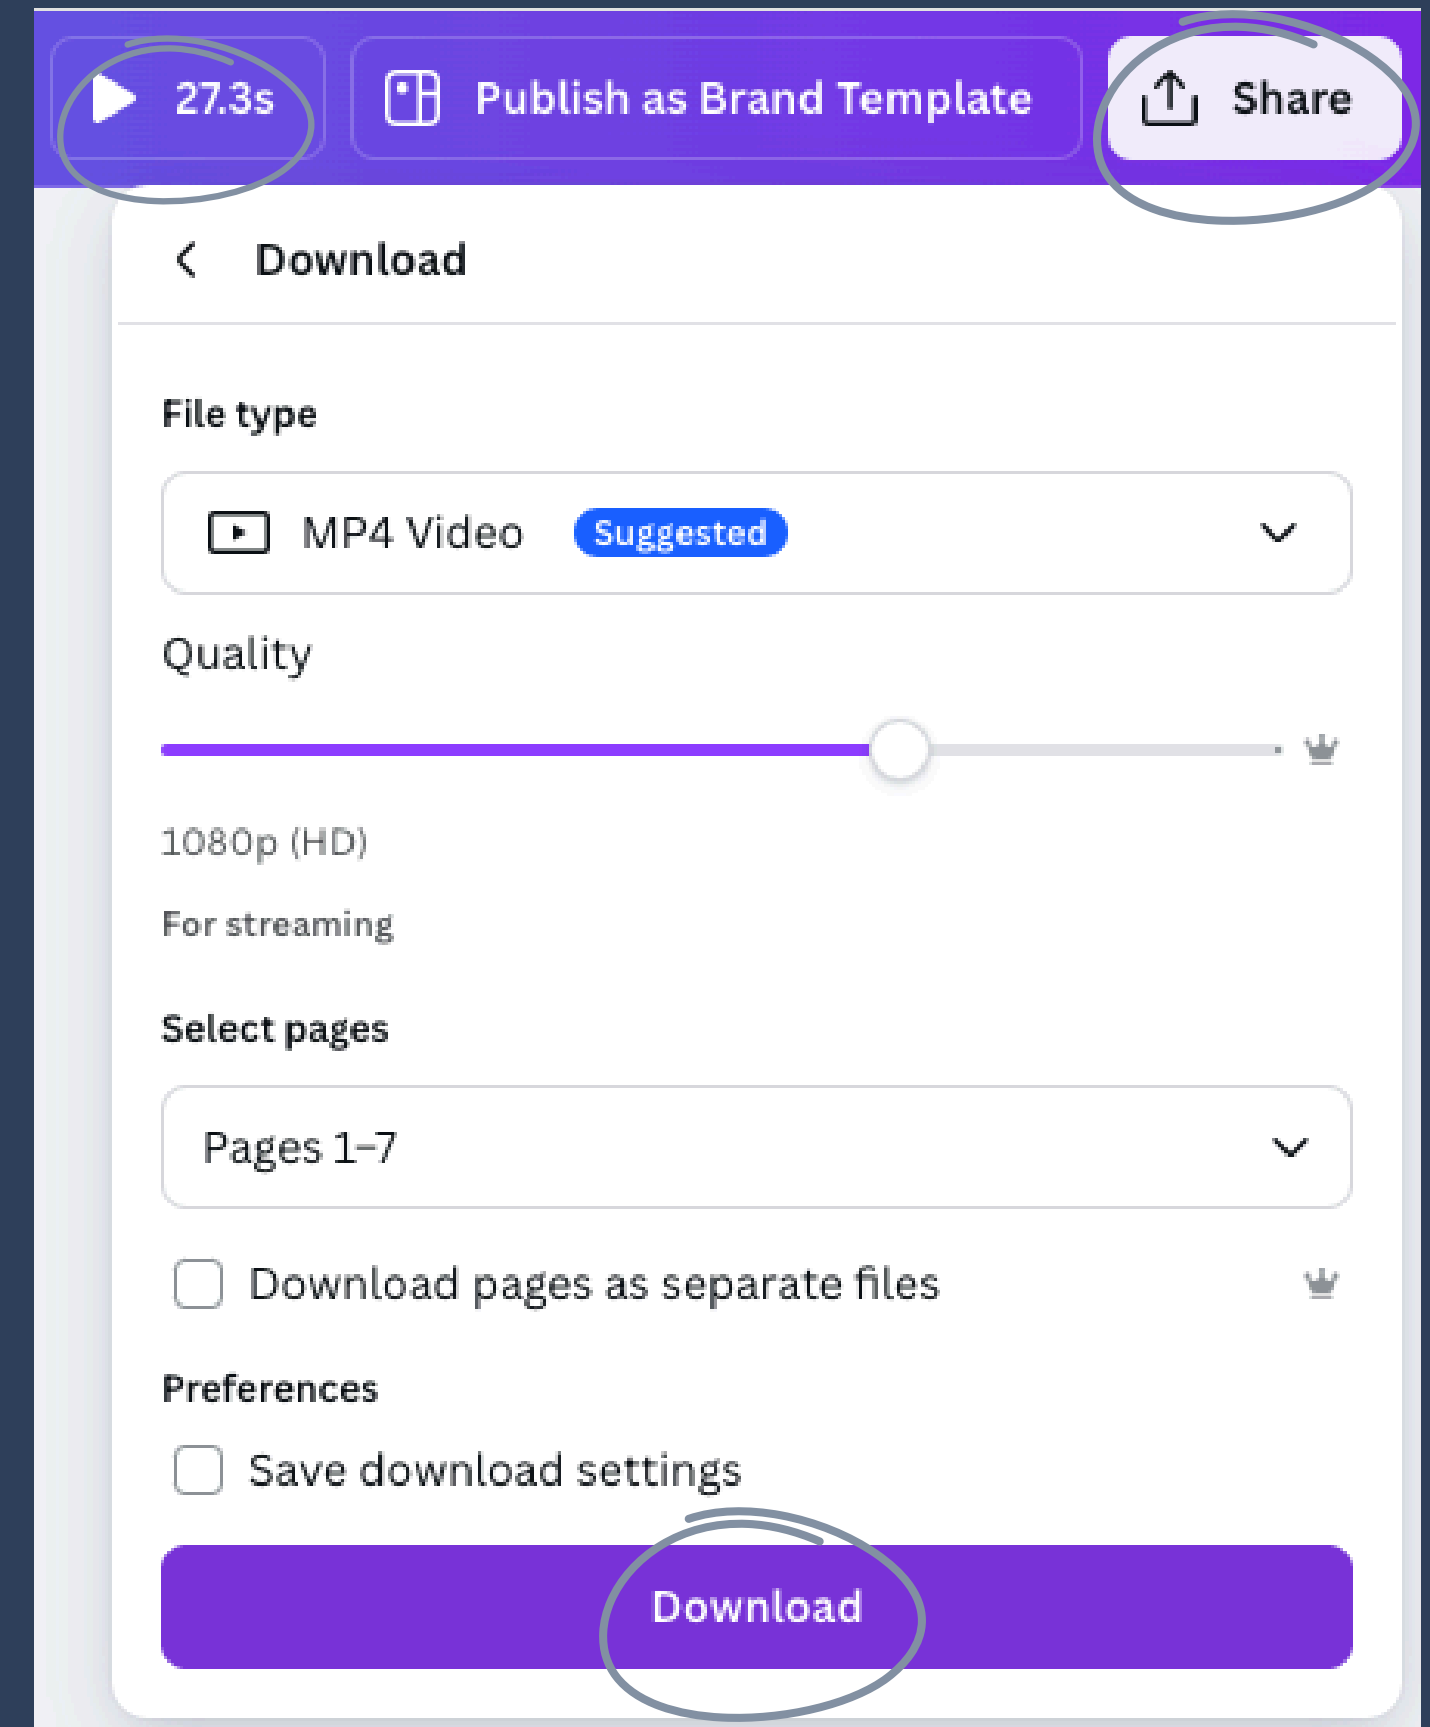

HOW TO MAKE IT

- To duplicate a page, click on it so it is highlighted in purple, click the three dots, click duplicate page

HOW TO MAKE IT

- Once everything is populated, watch it by clicking the play button
- If you are happy with it, download and then post!
